

Dear Patient,

Thank you for choosing UT Dentists for your dental care. We welcome you and look forward to your upcoming appointment with us!

Prior to your appointment, please complete the **required** medical and dental history forms via our secure patient portal www.MyUTDental.com. Portal registration is easy and mobile-friendly! Simply input your first name, date of birth and email address you provided us when you made your appointment, then click 'send email'. You will then receive an email with a link to create and complete your account registration. Patients can also review personal information and confirm upcoming appointments using the portal. Please review the [FAQs](#) section for more information.

Please complete our [Patient Registration form](#) and bring to your visit, along with your dental and/or medical insurance information. You are strongly encouraged to bring along pertinent dental records, X-rays, etc., especially if you are seeking a second opinion.

You will receive an appointment reminder 2-3 days prior to your scheduled appointment. Please plan to arrive about 15 minutes before your appointment. If you are unable to make it to your appointment, please let us know at least 24 hours in advance to reschedule.
